

Help Support a Ban of Non-Tribal Gillnets in Washington

BREAKING NEWS: Washington Senate Bill 5617 has been introduced to ban the use of non-tribal gillnets statewide. It currently has 24 cosponsors out of 49 total Senators!

Please help us secure additional co-sponsors and thank those already sponsoring the bill by:

1. Immediately call the legislative hotline at 800-562-6000 and leave a message for your State Senator either thanking them or urging them to support Senate Bill 5617. See back page for a list of supporting and undecided Senators.
2. Respond to upcoming CCA Washington action alerts and/or visit ccawashington.org for updates on how you can help pass this legislation.

Here's what Senate Bill 5617 would do:

- Ban the use of non-tribal gillnets for taking of salmon statewide beginning on January 1, 2023.
- Authorizes a voluntary buyback of non-tribal gillnet permits.

This is a HUGE development and we must do all we can to support these lawmakers who are standing up for our fish!
